

Serial No. 10/686,302

Atty. Docket No. 0194-2001US02

REMARKS

By way of this amendment, the specification is amended to cross-reference the related parent application. In addition, claim 1 has been cancelled, and new claims 20-38 have been added (claims 2-19 were cancelled in a prior amendment). Applicant respectfully submits that these modifications are fully supported by the original disclosure and that they add no new matter.

New independent claims 20 and 30 are submitted to further define the present invention over the prior art of record. In particular, claims 20 and 30 have been amended to emphasize the nature of the single-use indicator. In view of the above, it is submitted that the claims 20-38 are in condition for allowance. An action on the merits is awaited.

Respectfully submitted,
